

DETERMINATION OF LOWEST OVERALL PRICE

(Labor Hour Proposals)

This completed Attachment or a computer generated equivalent MUST accompany your offer. In completing this Attachment, follow the instructions set forth in paragraphs A and B below.

- A. JPL will determine the “lowest overall price” by considering the proposed straight time, time-and-a-half, and double-time billable rates per hour. Accordingly, insert your proposed Billable Rate(s) per Hour, Extended Amount (rate x hours), and Total Price (total of all extended amounts) on the worksheet below or a computer generated equivalent. Be sure to provide the billable rates for straight-time, time-and-a-half and double-time for each labor classification listed by JPL. Note that the rates you propose below will be inserted into the “Price and Payment” Article of the resulting Contract should your company be selected for award.

Labor Classification	Billable Rate/Hour*	X	Hours**	=	Extended Amount
----------------------	---------------------	---	---------	---	-----------------

Straight Time

Time-and-a-Half

Double-Time

TOTAL PRICE: \$ _____

- * *Your billable rate(s) must include ALL costs involved in the performance of the effort including, but not limited to; direct labor, indirect expense and profit.*
- ** *The sample hours are a JPL estimate for price comparison purposes only and must not be altered.. The actual work-hours required may differ significantly from the hours indicated herein.*

- B. Complete the Certification below. The certificate must be signed by a person with authority to do so within your company.

CERTIFICATION

It is hereby certified that (Proposer's Company Name) _____ will pay each employee at least the minimum rates (both the minimum direct wage and combined direct wage and health and welfare) as specified by the **Service Contract Act**.
